# Character Mobile

Think about a favorite character that you have read or are reading. Make the face below look like your character! Complete the sentence in each bubble with the words that the character might say. Then cut out the pieces. Tie them together with yarn and tie them to a drinking straw.

A large template for a character mobile. It consists of a central large oval shape with a small circle at the top for a hole. Surrounding this central shape are four smaller speech bubbles, each with a small circle at the top for a hole. The top-left bubble contains the text "I like" followed by a blank line and four more blank lines. The top-right bubble contains the text "I can" followed by a blank line and four more blank lines. The bottom-left bubble contains the text "I am" followed by a blank line and four more blank lines. The bottom-right bubble contains the text "I am" followed by a blank line and four more blank lines. A small pair of scissors icon is located on the left edge of the top-left bubble.
