COURSE SELECTIONS FOR 2024-2025:

Course selections have taken place this year. This is an online function via the PowerSchool portal for

returning students. Access to the course selection is through PowerSchool via the student or parent accounts. Students and/or parents will have until May 31 to make repeated changes. Many students decided to wait and did not actually select courses during the designated times. Please discuss selections with your student and get his/her choices entered. These selections are what the coming year's class schedule is built on each summer. Click [Here](#)

SUMMER SCHOOL @CA 2024:

Algebra I will be taught this summer by Mr. Sinigaglio. May 20-June 28, 8 am to 12:10pm each weekday excluding Memorial Day. Cost is \$615.00. A non-refundable deposit of \$200 is due by May 10. Each student interested in taking this class must have a teacher recommendation sent to Mr. Sinigaglio. Recommendations should come from the current eighth grade math teacher and can be emailed or phoned in - bsinigaglio@collegedaleacademy.com or 303.915.1515. Please note this is an accelerated class primarily intended for rising freshmen.

MATH PATHWAYS—ACCELERATING IN MATH:

Do you foresee your student needing AP Calculus for his/her desired college degree/career? If so, these are the Pathways to take AP Calculus at Collegedale Academy: 1) Take Algebra I in middle school (8th grade). 2) With teacher recommendations, take Algebra II after Algebra I and Geometry online math during the summer via Edgenuity/CA's Alliance program. Students must have proof of completion (transcript) of online courses taken before beginning the next level course. 3) With teacher recommendations, take Algebra II and Geometry during sophomore year. Teacher recommendations required along with CA Leadership Team approval.

PREREQUISITES: Pre-Calculus and CL Statistics require a math score of 19 on the ACT, B grades the previous two semesters in Algebra II and teacher recommendation. AP Calculus requires B grades the previous two semesters in Pre-Calculus. Sophomores ready for Pre-Calculus must meet all requirements except the ACT score. Since the Tennessee State Board of Education requires students to take a math course every year during their four years in high school, this pathway to Calculus will mandate the student to take Pre-calculus, even if plans to take Calculus are replaced with Statistics. The Math Department generally does not encourage students to accelerate more than once.

INSPIRE NOW AND FOR ETERNITY:

The *Inspire Now and for Eternity* Capital Campaign project is **the school's largest capital project to date**. The effort to raise an estimated \$25,000,000 for a 78,000 square foot facility is a **bold and visionary** goal that will impact thousands of students over several decades. With this new expansion, we will have the ability to:

1. **expand our reach, enhance** our services, and
2. **ensure** that Collegedale Academy will continue to **remain strong, responsive, and successful** in the years to come.

We are still in the early stages of our campaign efforts and there is much more to come. We are very humbled and blessed by God's leading as we have achieved over \$16 Million in pledged support from over **120 generous early supporters**. We thank

you for your generosity! **Everyone will be invited to join the effort** – parents, grandparents, alumni, church members, corporations, and our entire community.

We will continue to keep you informed and if you would like more information, please visit our campaign website: collegedaleacademy.com/inspire.

INCLEMENT WEATHER:

If school will not convene because of inclement weather, an announcement will be made on local TV channels affiliates of NBC, ABC, CBS, and our website, www.collegedaleacademy.com. In addition to the PowerAnnouncement emails/robo-calls and texts. Collegedale Academy DOES NOT AUTOMATICALLY follow Hamilton County school closings or delays. If C.A. is involved in an emergency (such as a tornado warning), students will be held in assigned locations until the warning expires.

Parents always have the discretion to keep students at home if they believe weather conditions are too hazardous. Please contact C.A. to excuse your student's absence that day.
